Initials *Delinquent Notices will be mailed to Property Landlord if account becomes past due.*

Initials *The deposit is property of persons listed on this account until all balances are finalized. Any name changes to the account must be made in person.*

Deposit required YES / NO Amount: Remarks:

We and each of us, jointly and severally, hereby agree to be responsible for and to pay all gas delivered to the premises set forth above, according to the rules, regulations and rates of supplier, as governed by the laws of the Indiana Utility Regulatory Commission. We and each of us, understand that 5 days prior to vacating the property, that we and each of us either own or rent, shall notify Indiana Utilities Corp. and request Final Billing. If you do not make proper notification for Final Billing you shall be held responsible for all future billings until proper notification has been made. We and each of us understand that subject to the laws of the State of Indiana the supplier may require the posting of a security deposit prior to supplying service as requested. By signing this application, the customer does here by grant and convey to Indiana Utilities Corp., its successors and assigns, a perpetual easement with right to construct, install, lay, and there after use, operate, inspect, repair, upgrade, and maintain a Natural Gas Pipeline over and across the stated property indicated on this application.
